Invitation

Informal tax discussion

On behalf of Steve Howard, Member of the IKEA Group Executive board & Chief Sustainability Officer, and Krister Mattsson, IKEA Group's corporate finance and tax manager, we would cordially like to invite you to an informal lunch discussion

Where: ERGON Greek Deli + Cuisine
Rue du Parnasse, 1
1050 Ixelles (Brussels)

When: Tuesday the 17th of November
12:30 – 14:30

The discussion about how to create fair, transparent and clear international tax systems has been on-going for the last couple of years in many fora such as the OECD and the European Community. The IKEA Group has received many questions about our tax policy and how the current proposals would affect us.

We would therefore like to invite you to a discussion about this topic where you can also ask any questions that you might have.

Welcome!
